CLASS #

902

ENTRY FEE

\$400/TEAM

SHP EQUITATION

Open to all riders. Teams of two will compete, and all teams must have at least one non-professional rider, but teams are not required to have a professional rider. One team member will compete over an equitation-style course of jumps not to exceed 3'. The other team member will compete over the same course of jumps not to exceed 3'6. There are no restrictions on which team member can jump which height. Each team member will jump one round at their designated height and both scores will be added together for a team total. The top (3) scoring teams at the end of round one will be invited back for a work-off where scores will be zeroed. Both height sections of the top (3) teams will complete the work off and combined work-off scores will determine first thru third. The 3' section and the 3'6 sections will have different work off courses. Order of go in the work-off will be determined by first round team total, lowest to highest. Emphasis will be put on riding style, technique, and promptness in completing the course. Courses can include but are not limited to all USEF equitation tests and gymnastics elements. Riders and horses may only participate on one team. Riders that have won this class before may compete again, but may not compete on the same previously winning team.

SHP TRANSPORTATION

The following (8) pairs of 'SHP-branded transportation' will be on display throughout the competition. Prior to the start of Round 2, each team will submit a list ranking each transportation pair in order of preference. The winning team will be awarded their preferred transportation pair, followed by the 2nd place team, then the third place team, and so on...
